

20 MINUTE FIRE RATED DOORS

In accordance to Canada Fenestration Standard, Plastpro 20 Minute Fire Rated exterior entry doors bear the Warnock Hersey Mark of product safety, performance, and quality. The doors are produced in the most advanced, fully integrated, computer controlled, automated manufacturing facility in the door industry. This enables Plastpro to achieve the highest quality products available in the door industry.

ALL DOORS HAVE AN EXTENDED LEAD TIME OF 12 TO 16 WEEKS
